The Unique Alliance of Terroir and Savoir-Faire

Cited by Strabo and Pliny the Elder, Marsyas is the ancient name of the Bekaa valley situated between Mount Lebanon and the Anti-Lebanon. It draws its name from the famous Phrygian Satyr who symbolized the freedom of man in the face of the Gods, and once defied Apollo in a musical contest to find himself flayed to death. The Johnny R. Saade family founded Château Marsyas in order to produce a unique wine from a high quality terroir. Wines of Château Marsyas present an elegant aromatic complexity marked by rounded tannins which give them a well-balanced character, the foremost quality of a great wine.

Athens & Peloponnese ... mix of history, culture & food

I have been invited by Wild Discovery to explore the Peloponnese region, with an exclusive stay on Spetses Island. Spetses is considered by Athenians as being the Island of Aristocrats. So cold a bourgeoisie island where cars are limited to the residents of the Island. I stayed at the luxurious "Poseidonion Grand Hotel" an elegant five stars hotel, with a stunning view over the Aegean sea, right on the harbour of Dapia, facing kosta little port on the main land.

One of the specificity of this Hotel, is that they have developed a little ecological farm on the hills called "Bostani" providing all the fruits, veggies

and eggs to the Gourmet restaurant of the Hotel. Among many attractions of Spetses I have been attracted to the Bouboulina Museum which is the home of Laskarina Bouboulina, the only woman admiral in world naval history. The guide being one of her descendants with an astonishing narration reflecting the passion and the admiration for his heroine ancestor. Next to the Museum you will find an open air cinema, a cute place where you can enjoy watching a movie with a possibility to sip a drink and smoke in the open air.

I would strongly recommend a stay on Spetses out or during touristic season. Restaurants, tavernas, little craft and pop up shops are all over the tiny pedestrian streets. Very easy reach would it be by boat from Piraeus Port (almost 3 hours), or by renting a car and crossing the unlimited olive groves with a stop on Nafplio village on the way, not to be missed as well!

Thank you Wild Discovery!

CELESTYAL

Be Different

LIVE THE AUTHENTIC

Synonymous with value, extensive destination options and fun, Celestyal Cruises is the world's most experienced Greece and Turkey cruise holiday operator. Cruising between March and October on 4, 5 and 8 day itineraries, Celestyal's ships will introduce you to the very best of what the Eastern Mediterranean has to offer.

Celestyal Cruises is proud of its Hellenic identity; the smaller, cozy vessels permitting access to a number of harbours inaccessible to larger ships, which means Celestyal can bring its passengers to many of the region's smaller islands, the little jewels of the Aegean.

A Celestyal Cruise engages all five senses, allowing passengers the unique opportunity to visit legendary archaeological sites, to enjoy music by authentic Greek musicians, to taste delicious, homemade Greek cuisine and to sample exceptional Greek wines and spirits. Celestyal invite you to inhale the aromas of Greece and Turkey, to travel into the past, and join them onstage for traditional Greek dances...to live "Kalimera".

DISNEY CRUISE

The Happiest PLACE ON EARTH

When Disney executives set out to enter the cruise business, they did so in typical Disney style: fashioning a ship that resembled the luxurious, and oft admired, ocean liners of the 1920's with a slate of spaces and activities that would be worthy of the Disney name.

Let your imagination set sail. Be front-and-center at original Broadway-caliber live shows, dine on artfully prepared meals in wondrously themed restaurants and make a splash on the AquaDuck.

Combining classic beauty and modern luxury with legendary Disney storytelling, the award-winning Disney cruises invite you to embark on an unforgettable voyage where dreams really do come true.

CROISIÈRES *de découvertes et de charme*

Créée en 1998 en Suisse, Grands Espaces est aujourd'hui le leader en Europe de l'affrètement de brise-glaces et de bateaux polaires. La compagnie dispose également de sa propre flotte et équipage de yachts polaires (12 à 35 places) avec hélicoptère.

Le cœur des activités est polaire mais tous les grands sites naturels du monde sont visités, tels les Galapagos, l'Amazonie, l'Afrique australe, les îles de l'Indonésie, la Patagonie, le Kamchatka...

En effet, loin des grands flux du tourisme, les croisières et circuits découvertes de Grands Espaces contribuent à la conservation de l'environnement par leur organisation même et en sensibilisant les participants aux richesses naturelles et culturelles des régions visitées.

Grands Espaces vous emmène à la découverte des régions les plus secrètes du monde, en petits groupes et en bon confort, dans l'esprit d'un tourisme équitable et respectueux de l'environnement.

Des groupes et bateaux francophones, guidés par des universitaires et spécialistes passionnés vous ouvrent les portes de la nature et des cultures locales grâce à une palette de voyages ouverts à tous les âges.

MSC Cruise

...Unforgettable Experience

Just a wonderful experience, that's what wraps it all. We had the best times on board by all means.

Being there a group of 20 persons ranging in all ages, all of us were able to fulfil our delights and gratifications.

It's our second time cruising with MSC, and since we all had such a fabulous time that we promised ourselves that our this experience wouldn't be our last.

We occupied a suite which gave us Yacht Club status, something we did not really understand at the time of booking, but now know that we couldn't cruise with less standards.

The ship was superb; the personnel looking after us even more so, the weather was perfect, and the sea perfectly calm...even for the 8 sea days!

We very much enjoyed the quality of entertainment every night. This cruise met and surpassed our every expectation and we will use this standard as our basis for future holidays.

In summary, MSC can take special approval that their personnel exude every aspect of their standards and we thank Wild Discovery very much for such a wonderful experience.
