

Wildlife & the Cape

7 Nights

01 June 2015 – 31 October 2015

Summary

The magic has already begun! Can you hear it? Like the distant rumble of a million migratory hooves. Can you feel it? Like the warm caress of an African breeze, carrying the rich aroma of wild thyme. Can you envision yourself in an open safari jeep surrounded by buffalo... herds so huge they appear as an undulating sea of brown and black. Giraffe loping in ghostly silence across a yellow-flecked savanna. Lions patrolling at sundown. Hyenas nervous, laughing... You can experience all that in this 7 nights trip and more!
