

Roman Shrines

4 nights

19 February 2016 – 30 June 2016

Summary

You don't have to be a student of Classics to know that there's nowhere on the planet quite like the city of Rome.

The best way to see the city is to walk. The sights of London or Paris might be mapped out by a few select subway stops. But in Rome, where you can usually count on good weather and unreliable transportation, you're best off doing as much as possible by foot.
