

Madrid & Palma de Mallorca

7 Nights

June 2018 – September 2018

Summary

From the remains of the old Arab wall, to small Gothic churches and early Renaissance works, Madrid boasts a multitude of rich and varied works of art. No city on earth is more alive than Madrid, a beguiling place whose sheer energy carries a simple message: this city really knows how to live! Then, proceed to Palma de Mallorca! Palma is a stunner. Rising in honey-coloured stone from the broad waters of the Badia de Palma, this enduring city dates back to the 13th-century. A richly studded diadem of historical sites, Palma also shelters a seemingly endless array of galleries, restaurants, craft studios and bars – it's without doubt Mallorca's greatest treasure. Wander in any direction from the awe-inspiring Gothic Cathedral at its geographic and historical heart and you'll find bent medieval streets lined with aristocratic townhouses, looming baroque churches, teeming public squares, vibrant bohemian neighborhoods and markets overflowing with all the bounty of the island.
