Queen Victoria: The Fjords

Summary

Named after one of England's most beloved monarchs, the Queen Victoria is an ocean liner with charm and grace. Onboard, the liner is designed with regal touches of gold and has a beautiful sense of serenity. The Royal Court Theatre is like a set out of an old movie. This is the only theater at sea with private balcony boxes where you can watch a marvelous live performance or catch a classic movie. The liner's spa is an inviting space where you'll enjoy a number of treatments along with the warmth of the Royal Bath House thermal suite, which uses heat to help your muscles unwind. The Queen Victoria also has a wide selection of enrichment classes, menus with inspiring meals and spacious staterooms.
