**Day 1: Antananarivo**

Today you begin your journey by boarding your international outbound flight to Antananarivo. With its bustling markets, friendly people and charming old town with freestone churches and ancient royal places, it is a unique and attractive city.

**Day 2: Antananarivo - Maroantsetra**

Today you will be transferred to the airport for your flight to Maroantsetra. You will be met at the airport and a transfer will take you to your hotel. Maroantsetra is a quaint town located at the base of Antongil Bay, in a beautiful riverine setting. This lush area is dotted with rice paddies and coconut palm plantations and the scent of vanilla and cloves fills the air.

**Day 3: Maroantsetra to Masoala – Madagascar**

You will be transferred to the port where you will embark a boat to Masoala. The Masoala Peninsula is the site of a 230,000 ha national park containing one of the best rainforests in the country and the largest protected area, terrestrial and marine, in Madagascar. After our arrival we will go on a three hour walk in the primary forest to see reptiles, birds, lemurs and orchids as well as rare and unique species such as the green lizard, the red owl, the tomato frog or the serpent eagle. You will even have the opportunity to relax and swim in the refreshing cool water of a river. We end the day off with a laid-back barbecue.

**Day 4: Masoala – Madagascar**

Begin the day with a three hour bird watching trip, followed by a visit to a local village surrounded by vanilla, clove and coffee plantations. Masoala Peninsula is one of Madagascar's premier trekking and hiking areas. It also offers excellent opportunities for sea kayaking and snorkelling - a simple mask is enough to admire the colourful marine world. Between July and September you will also have the chance to see majestic humpback whales in the Bay of Antongil.

**Day 5: Masoala – Madagascar**

Today, you are free to relax or go snorkelling in the Masoala Marine Reserve inside the Masoala National Park, off the coast of Tampolo. In season, you might spot the giant humpback whales in the Antongil Bay.

**Day 6: Masoala to Nosy Mangabe to Maroantsetra – Madagascar**

You will go on a boat transfer to Nosy Mangabe, a scenic island with a variety of wildlife. This reserve is also one of the best places to see aye-ayes in the wild. We will visit the reserve to admire its endemic flora and fauna. Later you will have the exciting opportunity to see the Betsimisaraka tombs. The Betsimisaraka tribe is Madagascar's second largest ethnic group and inhabits most of the central and north-eastern coastal region. The name Betsimisaraka, which means "those who stand together", refers to the time when the tribe's confederation was forged from several smaller tribes in the early 18th century. In the afternoon we take a boat ride back to the mainland at Maroantsetra in the Analanjirofo Region.

**Day 7: Maroantsetra to Antananarivo – Madagascar**

After breakfast you will be transferred to the airport for your flight to Antananarivo, where a transfer will take you to your hotel in Antananarivo, the picturesque capital of Madagascar. You can wander through the capital's steep and narrow streets, taking in its architecture, atmosphere and pace. Or you can climb up to the old rova (palace) and enjoy the views over Antananarivo and the surrounding countryside. The town is at its best in the evening when the setting sun spectacularly illuminates its hillsides.
