

Mykonos, A pearl in the Aegean Sea 04 Nights

Summary

Mykonos - Labyrinth and Landscape... A pearl in the Aegean Sea - blue sky, beautiful snow-white houses, lovely beaches everywhere, named for Apollo's grandson, is Greek party central, with beach superclubs that attract international DJ talent and stay open until sunrise. But although it's tiny (only 45 square miles), Mykonos is so much more than just beachfront bars. The reason you'll find so many ex-pats here, from all over the world, is obvious as soon as you step off the ferry: it's just so beautiful! A short break for 05 days in Mykonos is more than enough to relax and discover the Island.

Day 1: Arrival:

Meet & assist at airport.

Spend the rest of the day in Mykonos town & the beach

Day 2: City & Island Tour:

Starting the City-and Island tour by walking the small and narrow streets, we have many possibilities to take nice photographs in the early morning, quiet city.

We get orientation and information in the labyrinth of the old town as well as impressions of the small port and the churches in town. Of course we will see the famous wind-mills and find Petros The Pelecan, the mascot of Mykonos.

After this we are exploring the island with a bus, visiting some of the most famous beaches and the inner land- scape. We see fishermen and kaikis, small private chapels and houses built in typical cycladic style.

In the second main village of Mykonos, Ano Mera, an idyllic place 6km from town, where the guests have enough free time for a stroll around the traditional square and they can visit the monk monastery Panagia Tourliani built in the 16th century.

Next stop is Kalafatis beach where there is time to relax a little and have a coffee or a refreshment , before going back to town and to reach a place with a fantastic view all over the town and neigh- bour islands.

Day 3: Delian Sunset Cruise:

The route takes us to Delos with a view to the ancient harbour and the ruins, then between Delos and the coast of Rhénia past the little islands "Ano and Kato Rematiaris" towards the South to the uninhabited islands "Prasonissia" where we can enjoy the magic light of the sun setting over Delos.

On board there is a choice of drinks between sparkling wine, white wine, Gin & Tonic, Ouzo, beer and soft drinks which is offered with small snacks.

Return to Ornos Bus station after experiencing a beautiful sunset.

Day 4: Jeep Safari:

See the hidden corners of the island of Mykonos many of them inaccessible unless by jeep. Enjoy breathtaking views, rural areas, beautiful beaches and the unique feeling of driving in a jeep!

Meeting point at the Yacht Club / Old Port of Mykonos at 9:30 a.m.

Our tour takes us first along the coast to Houlakia beach and from there up to the lighthouse. From there we drive through the area of Marathi past the dam and Panormos beach to the bay of Agios Sostis.

Then we drive to the area of Ano Mera where we have a stop at Paleokastro, the ruins of a Venetian Castle. We explore the area around Ano Mera with its agriculture and the nearby old abandoned mine.
